**The Alexandria Titans** are a member of the Fairfax County Youth Football League (FCYFL). For more information on FCYFL visit the website at [www.fcyfl.org](http://www.fcyfl.org). The FCYFL is a full contact tackle football league. Teams are formed based on ability as well as by the age/weight chart below. Teams are formed in the following divisions: Anklebiter (AB), 75, 85, 95, 110, 125 and 150 pounds. The weights listed on the chart are maximum weights. At the official weigh in, Anklebiters must weigh at least 40 pounds and those in the 75 LB weight group and above must weigh at least 56 pounds. Players age 7 do not have a maximum weight.

The Anklebiter Instructional Group is one conference, divided into several divisions, dependent on the number of teams enrolled. Since these are the youngest players in an instructional group with special competition rules, no distinction between levels of experience is warranted.

For the remainder of the weight classes there are three established conferences to provide three different levels of ability and experience for the players.

a) The **American Conference** is structured with youths of the greatest ability and most experience in comparison to their peers.

b) The **Central Conference** is a mid level competition group structured to include both single entry Club teams which may not be able to compete equally in the American Conference and multiple entry Club teams with some experience.

c) The **National Conference** is designated as a conference for multi- entry teams with youth of limited ability and experience in comparison to the other conferences.

Uniforms pants can be washed in warm or hot water. You may use chlorinated solvents for the pants and the pants can be dried in the dryer.

**Game Schedules** are developed by the FCYFL and will be available a week before the first game. League games will begin the weekend of September 15 - September 18. Each team will play seven regular season games. Home games will be played at George Washington Middle School, Episcopal High School or T.C. Williams High School. Away games will be in the Northern Virginia region, the league has member clubs in Arlington, Fairfax, Loudoun and Prince William counties. The majority of the games are played on Saturday, some may be on Sunday and occasionally a weekday game is scheduled.

FCYFL is proud to serve the youth and adult participants in the Greater Northern Virginia by providing a quality program of sportsmanship, teamwork, skills development, and fun and most importantly a safe environment for all.

FCYFL member clubs provide the league their available space (dates & times) to schedule regular season and playoff games. The league with their available space for games is distributed through the various Parks and Recreation agencies governing the jurisdictions where the clubs are located and area(s) serviced. User space is distributed in conjunction through various matrices and formulas adopted as policy.

The area FCYFL services is diverse, and represented by many religions, customs, congestion, and logistical impacts, and some are totally beyond our control. FCYFL game scheduling can not equally recognize, and observe, all the different traditions, logistics and religious customs, by not scheduling games on a particular day, time or at certain locations. We simply can't be "everything to everyone" trying to honor scheduling requests on a leagues wide club, team and or individual basis. While we would like to try and accommodate everyone's wishes, we realize the demand for space is greater than facilities available, so we play when and where the parks and recreation agencies tell us too.

The purpose of this bulletin is to advise every family that registers to play football in FCYFL, that playing on these “special days or times” is a very real possibility and to consider what impact, if any, playing would have on your family. Each club is required to inform every registrant of this bulletin so they can make an informed decision as to their participation in youth football. Football is the most rewarding of all the little league sports, but it also requires the most time commitment of all sports regarding practice, game participation and family time.

FCYFL will not change the schedule of games or game times because of these “special” situations, we must schedule games in the space and time provide by the governing agencies. These are personal choices and everyone must make their own decisions as to whether or not to participate. FCYFL is attempting to provide this information as far in advance as possible. Participation or not, effects the players, the coaches and drafting teams in a club. Any questions on this bulletin should be directed to your club.

**Official Weigh In** is held by the league to insure proper player placement by age and weight. Each player must attend an official weigh in to be eligible to play in the league. The D.M.V. ID provided to the Youth Sports Office will be used as player identification at the weigh in.

Official weigh in will be held at Falls Church High School on the following dates **August 11, August 18, September 1 and September 8.** *There is not a fee to attend the first weigh in on August 11,* in order to attend the late weigh ins parents will have to pay a fee to FCYFL. Only coaches and players will be allowed inside the weigh-in.

Other Requirements and/or Rules For Weigh In:

- A player will have only one chance to make his weight. Once he steps on an official scale and is found to be overweight, he must move up to the proper higher weight class. A player who cannot move to a higher weight class, either because their league does not file a higher weight class team, or because they fall outside the boundaries of the weigh-in requirements for any class, may be allowed a second weigh-in at a time and place designated by the Standards and Rules Committee Vice-Chairman.
- There will be no waivers for weight.
- All players must be officially weighed in to become eligible for FCYFL competition.
- All youth registered with one organization become a member of that organization's team roster at the time of his official Weigh-In and cannot be transferred to another organization's team during the football season and post-season.

- No player wearing football gear will be allowed to weigh-in. Youth shall wear gym shorts or bathing suits at a minimum. Youth shall wear only one of each item of clothing as a maximum.
- Late weigh-ins shall be conducted at a time and place to be announced, with a fee, per player, paid to FCYFL.
- At no time during regular season may a player exceed the maximum weight gain over the allowable initial weight:

<b>Class</b>	<b>Allowable Gain</b>
AB	5
75#	5
85#	5
95#	10
110#	10
125#	10
150#	10

**Coaches** are volunteers and **must complete the volunteer application and background check consent form.** All coaches must attend the National Youth Sports Coaches Alliance training certification and participate in coaches meetings, trainings, and football related clinics. All head coaches and assistants must be trained in the coach's education course provided by USA Football. All coaches will sign the Coaches Code of Conduct which is required by the FCYFL. All coaches will conduct themselves at all times with sportsmanship and integrity. Only five (5) assistant coaches are allowed for each team. If you are interested in coaching, please contact the Sports Office at 703.746.5402.

**FCYFL Player Participation Rule:** All eligible, rostered players shall participate in each game of the season except in the case of injury or absence.

The player participation policy of the **American Conference** is that each player shall participate in every game for a significant portion of the total game time. Although a specific number of plays or time requirements are not required in this conference, it is the spirit and intent of the League that all Players participate fully. Teams participating in this Conference shall not select players that will not play a significant portion of each game.

The player participation policy of the **Central and National Conferences** as well as the **Anklebiter Group** is that each player shall play the entire game, either on offense or defense, except in case of an injury or sickness. The purpose of this rule is to allow every rostered participant to play the entire game. The basics of the rule are:

- a) The maximum number of players per team is 22.

**b)** Should a team (other than Anklebiter) apply for a waiver on roster size, they will automatically be placed in the American Conference.

**c)** The offensive team may choose to play 12 players while running their offense, using the 11th and 12th players to shuttle plays into the huddle. Only two players may be used to shuttle offensive plays, each player alternating on subsequent downs. If a coach chooses to use this method, then those players used to shuttle plays must also play defense and cannot be substituted unless injured or sick.

**d)** At the change of any possession, all players on the sideline must enter the game.

**Rules for the Fields** are in place to ensure that everyone has a positive experience at our facilities. Please obey all rules at our practice fields, game fields and at fields throughout the league. The following rules are in place at Alexandria fields: **a)** No pets are allowed on the City of Alexandria school grounds **b)** No smoking is allowed around the field area, please smoke in the parking lot area **c)** only approved coaches, players, cheerleaders, commissioners, and staff will be allowed inside of the fence area during games **d)** cameras are not allowed inside the fence area **e)** snacks after the game must be distributed outside the field area and all trash cleaned before leaving the facility **f)** alcohol is not permitted at the fields

**Sportsmanship** is a major part of our program. Every participant, parent and coach will be required to follow all City of Alexandria rules and regulations for conduct for any sponsored program or event. Players, parents and coaches must sign the Maryland & Northern Virginia Recreation and Parks Sports Code of Conduct. The Code of Conduct will be kept on file in the Youth Sports Office. The Alexandria Titans and FCYFL will not tolerate poor sportsmanship from anyone involved in the program. The Code of Conduct is attached to this guide, please review it and discuss it with your child. If anyone is suspended from a City of Alexandria or FCYFL facility for inappropriate actions, action will be taken against that person including up to barment from attending practices or games indefinitely.
